# Pen-System

WEICON Pen-System – well-known WEICON products in a new design.

The newly developed WEICON Pen System can be handled like a pen and thus enables:

- easy application
- clean processing
- better dosing

## WEICONLOCK®

One-component anaerobic adhesives/sealants, especially made for metal assembly parts. WEICONLOCK is a fast, reliable and economical product for retaining, sealing and gasketing all kinds of threaded cylinders or flanged joints.

Content: WEICONLOCK® 20 x 20 ml  
WEICON Contact 20 x 30 g

## WEICON Contact

One-component cyanacrylate adhesives. WEICON Contact provides a fast, economical and durable bonding of almost all materials, such as metals, plastics, glass and ceramics, wood, leather, natural and synthetic rubber, to themselves and among each other.
